

32 On-Board Inputs

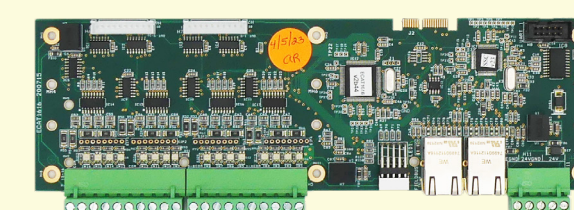

EtherCat Device Daisy Chain

Ethernet CNCPC Communication

32 On-Board

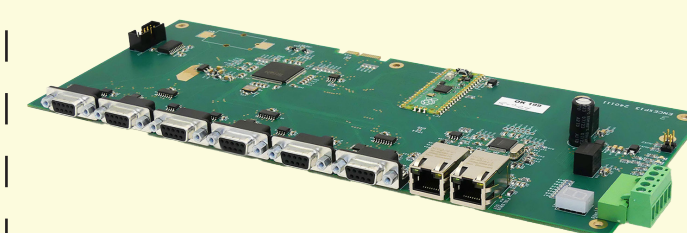

Optional Hickory ECat Expansion Boards

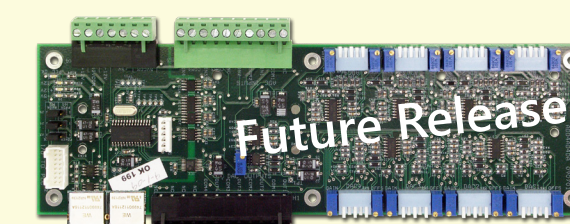

Ecat1616 I/O
144 inputs and outputs total

Ecat Hard Operators CNC Control Panel.
Use three different way:
Console mount, Panel Mount,
or Corded Hand Held

Ecat Encoder Expansion
Add six more
Scales, MPG's, Encoders

Additional Analog I/O
Add four analog outputs
and four analog inputs

Optional Hickory Serial Communication CNC Components

WMPG
